MARION JOINS MATTAPOISETT AND ROCHESTER ON THE COVER OF THE PRESTO PRESS

We want to welcome our new readers in the town of Marion. On our first anniversary, we sent papers into Marion for the first time and the reaction of our friends there was so warm that we placed Marion at the top of our expansion list. Last week Marion readers received their first regular delivery of the Presto. We hope that our new readers will enjoy the paper and use the news columns for their club, organization and local personal news. The Presto is a do-it-yourself newspaper. Everyone in town is an active member of our news staff as they send us items from their neighborhoods. Our covers, in many cases, come from people who are kind enough to hunt up old and unusual pictures that the great majority of townspeople have never seen. It gives us a great deal of pleasure to make these contributions a part of our paper. We are grateful to everyone who contributes to this newspaper and they are responsible for our ability to take in new territory. The paper is free of charge. Our advertisers send it to you. We feel that no paper in the country has a finer group of businessmen actively supporting it. We hope you will enjoy trading with them. This is a small town newspaper and we are very proud of this fact. Our readers live in the finest section of the world and they are interested in each other's lives and in yours. Please send us your news, just drop a card to Mattapoisett Presto Press

VANDALS DESTROY BEACH PROPERTY

In the hurricane of August of 1954 a family, summer residents of Pico Beach lost their cottage and everything in it. At that time we walked along the beach and we put down what we saw. We wrote that people were picking up the pieces and preparing to start all over. This family did that. Their flagstone foundation was left and a few pieces of shattered cottage. Against the time when they could build the cottage, this family erected a small bathhouse so that they could continue to enjoy the beach. The lady called today to say that the flagstones have been pried from the cement foundation and the small bathhouse is being pried apart by a gang of boys. This lady, whose name we have on file, is heartsick that the little that her family managed to save is being destroyed apparently just for the sheer joy of destruction.

Any ideas or possible solutions to a problem that is growing more serious by the week will be welcome by the townspeople. That problem is contempt for authority and wanton destruction of property. We would like to hear from our readers and to print your answers if you will give permission. Names will be withheld on request. We have a police dept. equipped with the best of equipment but they can't do everything alone. They need solid public opinion to back them up.

MARION ENJOYS WONDERFUL POSTAL SERVICE

Last week the Prestos were mailed at the Mattapoisett Post Office shortly before 8 A. M. You can imagine our astonishment when we arrived in Marion at 9:30 and found people walking about the town with Prestos under their arms. We were so amazed that we went to the Post Office to thank the Postmaster personally. We now want to publicly compliment him and his staff. Thanks from the Presto Press.

VISIT RADIO STATION

Billy Chase of Marion Road and Sharon Young of Church Street, Mattapoisett attended the WBSM Radio Station Birthday Party Saturday, October 1st.

In an interview with Billy, Bob Clayton turned up a big game hunter. Billy, when he grows up, is going to hunt lions in the Mattapoisett woods. Those who joined the search for the little Smith boy lost in the North Street woods a short time ago are ready and willing to believe that Billy will have good hunting.

Sharon, age 4, told Bob that she used to go to school but has given it up. She has a cat named Pepper who doesn't care for dogs but goes out to play with girls. Lucky Pepper? Pepper is a girl cat.

This is a good program to keep in mind with so many local birthdays this month. The kids

HANDWRITING ANALYST SPEAKS AT WOMAN'S CLUB

Louis G. Thackeray, a hand-writing analyst from Haverhill, Mass., was the guest speaker at the first meeting of the season of the Mattapoisett Woman's Club Thursday afternoon in the vestry of the Congregational Church.

The subject of Mr. Thackeray's was "The Trail you Leave in Ink". He said that traits, characteristics and tendencies of a person are shown by the way you write and that individuality crops up in writing and that your writing was a sub-concious gesture. Handwriting analysis has many chief advantages. It is used in court work, identification work, authentic documents, wills etc. It is also used in psychiatry as writing can reveal mental disturbances, the field of credit and vocational guidance.

Mr. Thackeray demonstrated what different strokes, loops and marks meant in a person's hand-writing and he also analyzed many handwritings of the persons present.

At the business meeting, conducted by Mrs. Frank Kouble, 7 new members were announced by Mrs. Robert Bailey, membership chairman. They are Mrs. Charles Tsouprake, Mrs. John Friauf, Mrs. Linwood Lewis, Mrs. Roy Coffee, Mrs. Charles Fontaine, Mrs. David Corey and Mrs. Robert Rothwell. The new members were presented with corsages.

Mrs. Anthony J. Sylvia gave a detailed report as a delegate to the fall meeting of the New England States Federation of Women's Clubs held at the New Ocean House in Swampscott on September 19, 20 and 21.

UNITED FUND DRIVE

On Monday, October 10th a drive will be conducted in Mattapoisett for the United Fund. One of your neighbors will call on you between the hours of 6:30 and 8:30 in the evening. As we well know, the United Fund is one of our most worthwhile causes since most of our services and charities depend on it for support. It is hoped that our drive will be as successful as our past charities have been.

FIRE AT HOLIDAY HOUSE COTTAGE

Our Fire Department demonstrated once again their speed and efficiency in putting out the fire at the cottage in the rear of the Holiday House. Firemen had to fight the fire through the roof of the dwelling because of the dense smoke and had the blaze under control in 20 minutes. Mr. and Mrs. Clarence Lovely, son Charles and Raynold Anderson occupy the apartment. Coming at the beginning of Fire Prevention Week this fire underlines the importance of care with regards to fire in the home and demonstrates the protection we enjoy with the fast Mattapoisett firefighting crew.

CELEBRATED BIRTHDAY

Sharon L. Young celebrated her fourth birthday Thursday, September 29th. On Wednesday Sharon had a party at the home of her parents, Mr. and Mrs. Lawrence C. Young of Church Street, Mattapoisett. Sharon's guests were Phyllis Larsen, Julie Fuller, Beverly Fuller, Susan Reynard, Penny Denham and Marilyn Tinkham of Mattapoisett and Claudia Jenney of New Bedford. Games and refreshments were enjoyed. A prize was presented to Marilyn.

PTC HOLDS FIRST MEETING OF THE SEASON

At the meeting of the Mattapoisett Parent-Teacher's Club held last Thursday evening in the school all purpose room, a large gathering of friends and members were on hand to welcome the new and old teachers. The business meeting was conducted by President William Matthews.

It was voted on recommendation of the executive board to purchase a record player for the school at a price not to exceed $100.00. The board had been told that the player on hand was very old and heavy to be moved into the different rooms. On last report it was not working and felt that any repairs would be wasted. It was left to the discretion of the school principal to see that the one purchased would suit the needs of the school.

The announcement was made that there would not be any meeting in October and that the next meeting would be on Tuesday, November 8th which falls during National Education week. This meeting was advanced from Thursday so as not to conflict with Armistice Day. This will be the annual open house with the public invited to visit school throughout the day and discuss matters concerning the pupils with the teachers before the meeting. The attendance banner was won by Miss Marjorie Donovan's 2nd grade.

After the business meeting, Mr. Matthews introduced the new principal, Mr. Ralph Glidden to the group. He spoke briefly on school matters and expressed his thanks for such a large attendance and support of the Parent-Teacher's Club. He in turn introduced all of the faculty. In presenting the three new men teachers, William Costa, Joseph Kobak, Jr. and Theodore Calnan, he felt that we were fortunate in having teachers that were very interested in the athletic division of education and would be pleased to coach the school players in all sports. Miss Betsy Robinson will coach the girls' basketball team.

The entertainment followed with a group of songs by the Father's Glee Club. This program was very well presented and received by everyone present. The leader, Jack Little, remarked that the group had started as a joke about four years ago. Some sort of entertainment was needed for Fathers' night at the Spencer Borden School of Fall River's

Parent-Teacher's Group. So they got together and were so well received that they were encouraged to keep up their singing. They have sung before many groups and seem to enjoy doing so which is wonderful for those that have the opportunity to hear them.

A coffee hour was held giving everyone a chance to get acquainted. Mrs. Robert Crabbe, chairman, was assisted by Mrs. Albert Sherman, Mrs. Fred Bieringer, Mrs. Joseph Lafferty, Mrs. Norman Kelley, Mrs. Clifford I. Tripp, Jr., Mrs. Richard Cobb and Mrs. Charles Smith. The beautiful floral centerpiece was donated by Mrs. Wilson Smith.

It is hoped by all that every meeting be so well attended and for those that couldn't be there, try to attend the next meeting. Let's help to keep our PTC a good one with a large membership and strong support.

CARD PARTY AT GRANGE

A card party will be held at the Mattapoisett Grange Hall Monday evening, October 10th at 8 P. M. Refreshments will be served and prizes will be awarded. Making the arrangements are Mrs. Ada Furtado, Mrs. Jennie Toolis and Mrs. Helmuth Heuberger.
